A Bosch Company

## SNEEZE GUARD

### Safety

Staying safe and healthy is more important than ever for our associates, our customers and for us. Help maintain social distance and physical separation while protecting from splashes and sprays with our new clear plastic shields.

### Details

Made from Bosch Rexroth's industry leading extruded aluminum framing and a 3/16" clear acrylic window, this unit comes ready to install with minimum assembly.

The standard unit is 37.5" wide by 37.75" tall. The 12" gap on the bottom provides access for card readers and product to be passed back and forth. Simply install lower braces to the pre-assembled frame using the tools and hardware provided, then secure it to your counter (hardware not included).

**SAS-3386**  
**\$380.00**

**Let us manufacture custom plexiglass shields in nearly any size for your business.**
